Proceedings of the Madras Government, Public Works Department, 11th July 1873.

No. 197. Read the following letter from Lieutenant-Colonel R. A. ROBERTS, R.E., District Engineer, Madura, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madura, 20th June 1873, No. 1,125 :—

I HAVE the honour to inform you that out of the sum of Rupees 544, sanctioned in G. O., No. 78, dated 8th July 1872, on account of the pay for temporary establishment for surveying nine Railway Stations therein mentioned, a sum of Rupees 542-5-7 has been expended during last year in surveying the six stations marginally noted. In order, however, to complete the survey of the three remaining stations, viz., Ammainaickanoor, Tirumungalum, and Shevarcottai, I request that the Government will be pleased to sanction the additional sum now required for that purpose as specified below, viz. :—

Dindigul.	1. Vadamadura ... 2. Dindigul ... 3. Sholavundan ...	Rs. 273	0	0
Madura.	4. Samayamulloor. 5. Madura ... 6. Teerooparungoon-dum.	,, 269	5	7
	Total...	542	5	7

	RS.
1 Surveyor, at 60 Rupees per mensem, for three months... ...	180
4 Lascars, at 6 ,, ,, for three ,, ...	72
Total...	252

2. I may mention that the amount originally estimated for was only approximately arrived at by the several Range Officers, and it has been found, from actual experience, to be quite inadequate for the purpose.

3. This application would have been submitted earlier, but that neither of the two Surveyors formerly employed on these surveys were subsequently available. As it is not easy to obtain here the services of competent men for the duty, and as one of the Surveyors has now presented himself for duty, the survey work has been recommenced in anticipation of sanction.

Proceedings of the Madras Government. Public Works Department,
7th July 1873.

No. 122. Read the following letter from Captain J. PENNYCUICK, R.E., District Engineer, North Arcot, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Vellore, 14th June 1873, No. 900 :—

I HAVE the honour to request that the Government will be pleased to restore the former service of Annasawmy Modelliar, now second Monigar of the Cheyaur Anicut.

2. This man appears to have been dismissed in September 1871, and re-appointed by the Superintending Engineer in April 1872, the Government having in the meantime, on a petition from the Monigar, declined to order his re-instatement, and left the matter to the discretion of the Superintending Engineer.

* Order of Govt. No. 803, dated 5th April 1872.
Do. 25th do. do.

3. It appears now that, by the dismissal, he comes on re-appointment under the Examination Rules, and consequently can only draw Rupees 19-8-0 instead of Rupees 20, the proper pay of his appointment, besides losing the benefit for pension of his former service of about 23 years.

4. The fault for which he was originally dismissed was not a very heinous one, and may be held to be sufficiently punished by eight months loss of employment, and he has, since his re-appointment, given satisfaction to the Range Officer (the same on whose application he was originally dismissed), who supports his petition for restoration of service.

No 123. ORDER THEREON, 7th July 1873, No. 1,755.

ESTABLISHMENT, No. 13.

UNDER the circumstances of the case, His Excellency the Governor in Council is pleased to exempt Annasawmy Modelliar from the operation of the Uncovenanted Civil Service Examination Rules, and when his claim for pension shall come up for disposal will, if his conduct in the meantime be entirely satisfactory, recommend to the Government of India that the break in his service be overlooked.
